Subject: Fw: Permit for EPA Review - Town of Boydton WWTP (VA0026247)

Hello Elleanore and Leah. We received the draft permit for Boydton WWTP (VA0026247) on 01/18/12. Our records show that this is a minor permit discharging to a stream that has no TMDL requirements. Per the current MOU between EPA and VADEQ we do not review this category of permit; therefore, we have no comments related to the issuance of this permit. Thanks
